FIRE DEPARTMENT *by Kurt Scholl*

- Kurt reports due to new legislation there are new yearly training and paper work requirements for OSHA and Workman’s Comp. The additional requirements are difficult on small volunteer departments. Florence Township Fire Department will be working on updating Fire Department policies to reflect the changes. The revised policy (Standard Operating Guidelines) will be later submitted to the trustees for approval.

CEMETERY

- John is interested in looking into automatic mowers for the cemetery.

AUDIENCE PARTICIPATION

Resident Martin Tansey (9309 Angling Rd) would like to make some revisions to his driveway /ditch drainage. He would like to install a catch basin and create a “swell” to aid in drainage. Both Bill and John stated they had no objection as long as he purchased a quality catch basin and followed the plan he proposed.
