**AUDIENCE PARTICIPATION**

Three residents were present from Clary Rd. They came to discuss a neighboring Clary Rd. property. They had several issues to discuss. They report it is referred to as an animal sanctuary but the animals do not receive adequate care and the animals get out of the inadequate fencing and go into their yards and cause damage. They report property line disputes and junk vehicles/items on the property. Fiscal Officer printed out Ohio Revised Code sections as it relates to the legal definition of junk vehicles. The township has no jurisdiction on animal welfare. They stated they had called several animal welfare agencies, but as of yet haven't gotten much of a response. They have called the sheriff when the horse has gotten out. Trustee Krumwiede stated he would have the Zoning Inspector drive by and check out the situation and see if there are any vehicles that meet the definition.
