Bill received a complaint about the condition of the American flags along the street and how long they are up.

Chief Halliwell stated there was a complaint on social media. He stated flags are donated and are of varying quality. Some hold up differently in the weather. He also stated volunteer fighters use their own time and vehicles to put up and remove the flags and do it as time allows. Thanks to the fire department for all they do for the community.

**Audience Participation**

Art Mittler a resident on Garfield Rd. was in attendance. He stated a neighbor on SR 60 has been burning trash in a barrel and he cannot enjoy his property as a result. He stated he did not want the fire department to waste resources by coming when he calls the sheriff, but he wants a record of when they illegally burn trash to create a "paper trail". Mr. Mittler has called the EPA and is requesting the EPA report and Fire Department reports on the times they have been dispatched. Chief Halliwell stated it is a process and would take time if there is a determination there is a violation of Ohio burn laws. Nick responded he would get him the reports for his records.
